TESTIMONIALS

Marriott International / Adrien Ganassin (Senior Director of F&B Design and Development - Caribbean & Latin America)

"For years, this platform has kept focus on connecting people across the industry and I love how it helps showcase new studios, talents and partners across continents.

Seeing some of our projects shortlisted is a great reminder of how fortunate we are to collaborate with such talented designers, partners and developers, and to see the creativity that brings these spaces to life."

Emma Maxwell Design / Emma Maxwell (Founder)

"Restaurant & Bar Design Awards is a cornerstone for the design industry, driving innovation and setting the gold standard for excellence. Its platform facilitates meaningful connections with industry leaders, leading to valuable partnerships and tangible business growth. For anyone looking to amplify their influence and stay ahead, the Awards are a game-changer."

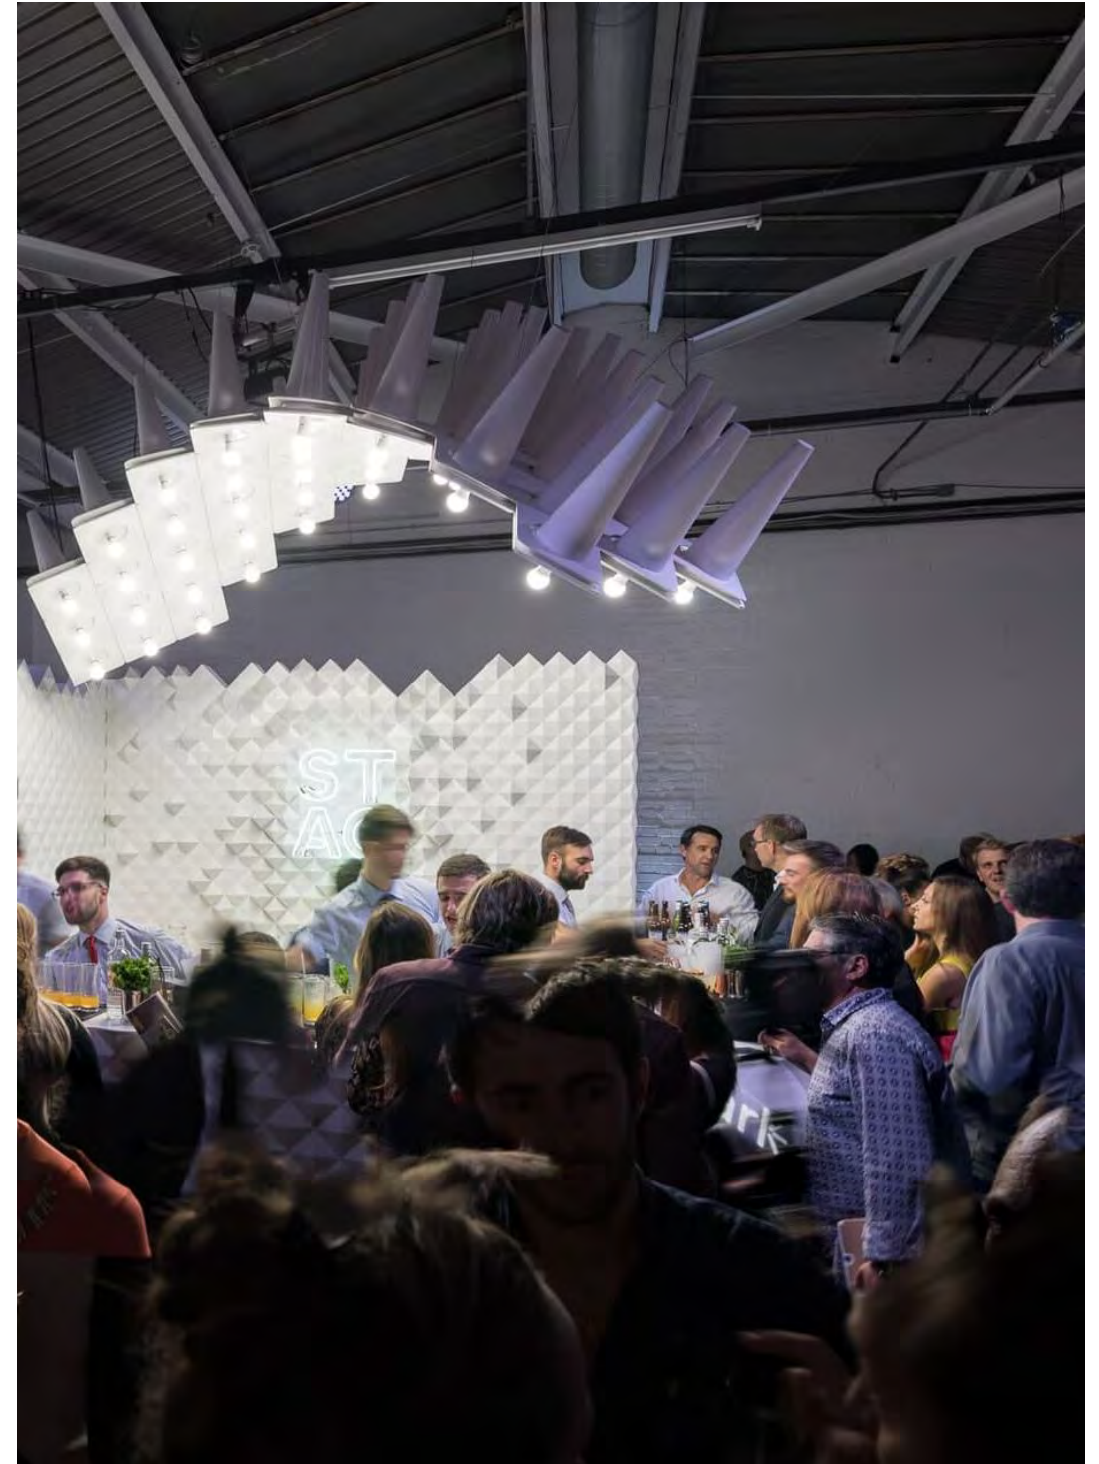

TESTIMONIALS

FPOV / Peter Veale (Design Director)

“Restaurant & Bar Design Awards are the only people who organise a truly worldwide series of events that bring the entire global community of designers, architects and operators together to celebrate the best of the best. No other organisation focuses on the creative, the bold and the future in this way.”

Marriott International / Aliya Khan (VP of Design, Lifestyle Brands)

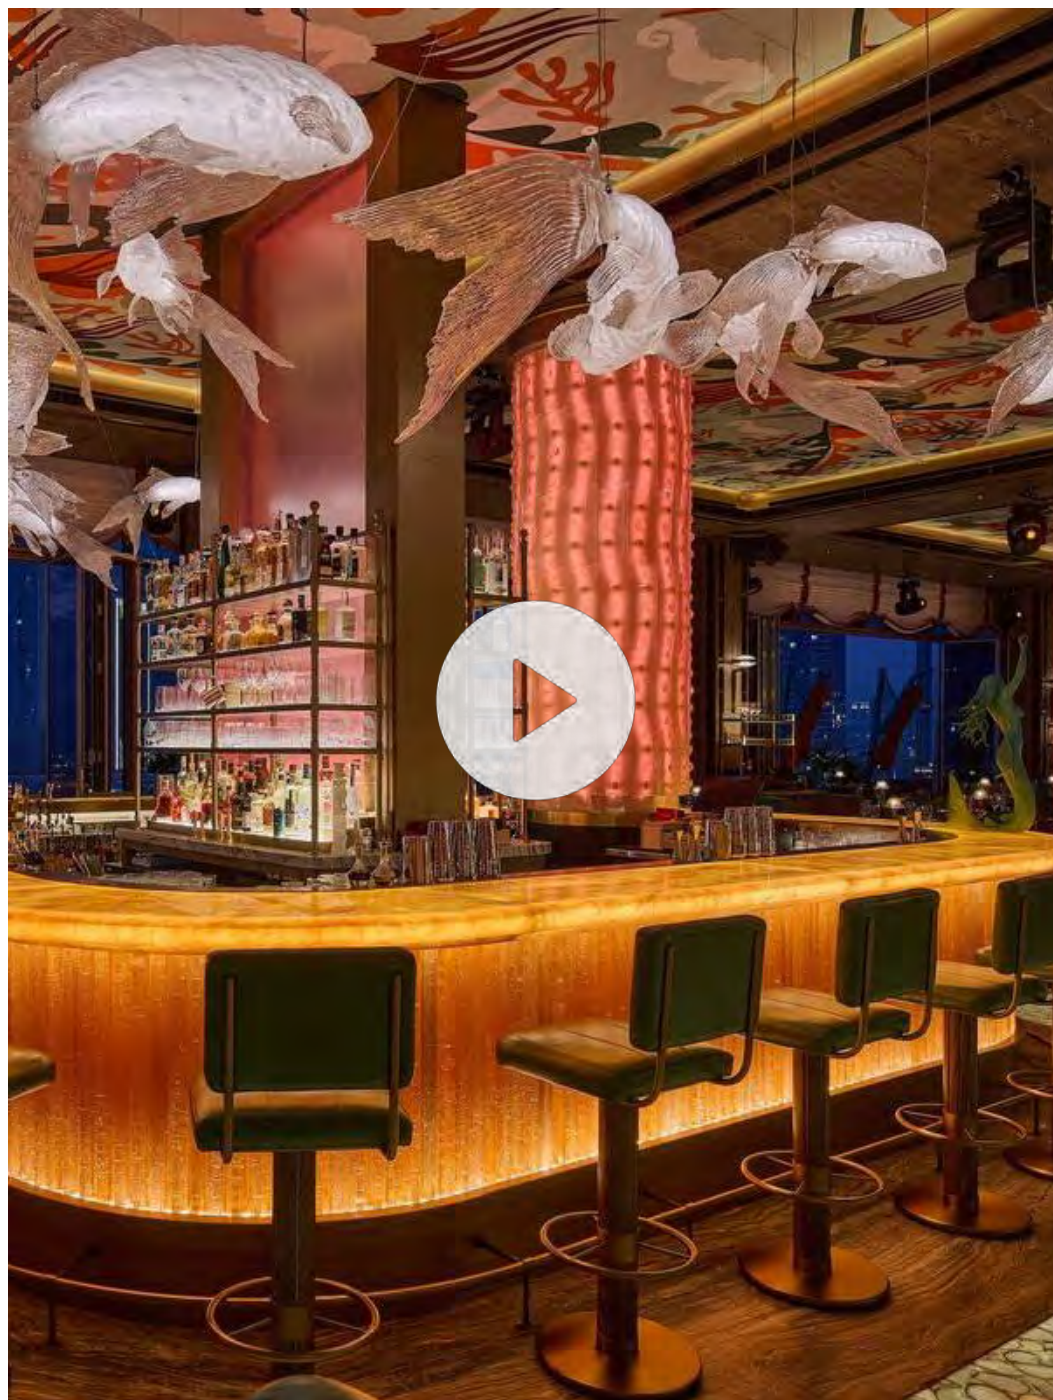

“Restaurant & Bar Design Awards world is a window to inspiring hospitality design from every corner of the globe. It’s more than just evaluating creativity; it’s about engaging with like-minded voices who are passionate about pushing the boundaries of design and experience. Connections made and invaluable insights gleaned, continue to inspire, long after the awards are announced.”
